The screenshot shows a web browser window with the title "Amazon Activate Now". The address bar shows a secure connection to https://www.amazon.com/ap/signin?openid.return_to=https%3A%2F%2Fwww.amazon.com&prevRID=Z0WPKCZ7PG6RR85X3532&openid.assoc_handle=amzn_pri.... The page features the Amazon Prime logo at the top. The main heading is "Activate your Prime membership". Below this, a message states: "Existing Prime members will be credited for the unused portion of their current Prime membership." The form includes an "Email (phone for mobile accounts)" input field, a "Password" input field, and an "Activate Now" button. There is a checkbox for "Keep me signed in. Details" and a link for "New to Amazon?". Below these is a "Create your Amazon account" button. At the bottom, a detailed disclaimer explains the activation process, mentioning the monthly fee of \$10.99 and the option to cancel.

New to Amazon?

Create your Amazon account

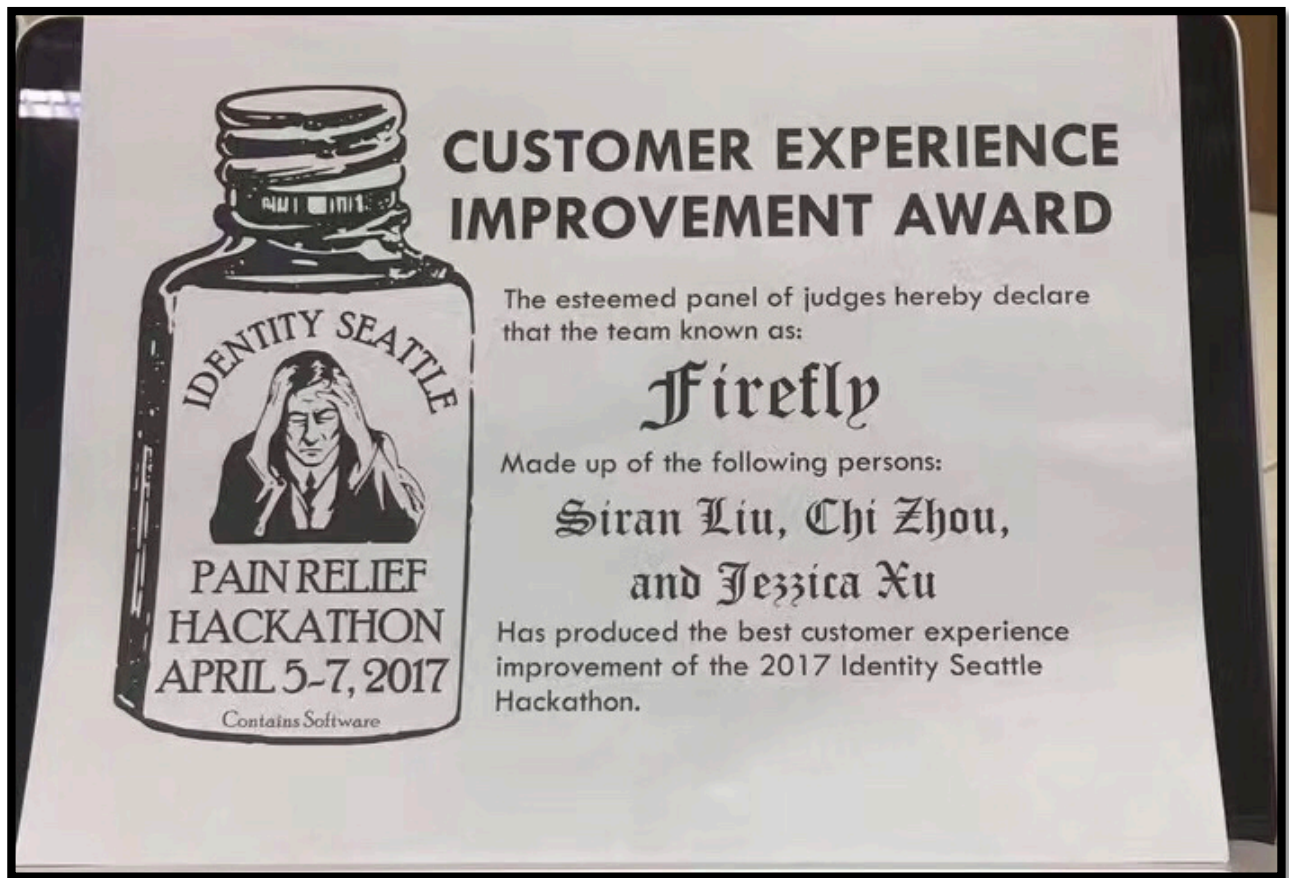

By clicking the button above, you will activate your monthly Amazon Prime membership which will be reflected on your Sprint account. You acknowledge you have read and agree to the Amazon Prime [Terms and Conditions](#). For the Prime add-on service only: After activation, you will be billed \$10.99/month on your Sprint invoice. If Sprint no longer offers the monthly Prime plan, you authorize Amazon to charge your default credit card or another available credit card on file. Your Amazon Prime membership will continue until cancelled. If you do not wish to continue for the then-current monthly fee plus any applicable taxes, you may cancel anytime by visiting Your Account and adjusting your membership settings.
